Adolescent and  
Young Adult Cancer  
**GLOBAL ACCORD**

Roger Daltrey, CBE  
Honorary Patron of Teenage Cancer Trust  
and Co-Founder of Teen Cancer America

**BUILDING ON THE SUCCESS** of Teenage Cancer Trust's International Conference Series and the professional global networks that have developed through subsequent world-wide advances in AYA cancer services, Teen Cancer America is proud to be hosting the **2nd Global AYA Cancer Congress**. This will be the first Congress held outside of the UK, in the wonderful host city of Atlanta, Georgia.

Come and be part of this truly international event which will feature world experts:

### CHANGING THE AYA WORLD:

Collaboration beats competition between hospitals in a unique regional model presented by **Dr. Karen Albritton**, Fort Worth AYA Cancer Coalition.

Learn strategies to support AYAs by influencing government from the Critical Mass President, **Kate Houghton**.

**Elana Simon**, survivor, scientist and advocate tells of her travels as an ambassador and how she engages other survivors in scientific research.

Hear from ENCCA Chair's **Dr. Dan Stark**, UK, and **Dr. Valerie Laurence**, France, how collaboration for AYAs across the European community.

In Australia, regional and national government are combining forces thanks to the initiatives of CanTeen under the leadership of CEO **Peter Orchard**.

**Chris McCarthy** demonstrates how Hope Lab pioneers empowering Apps for AYAs going through treatment.

Learn the power and influence of social media within youth groups from **Professor Desmond Patton's**, Columbia University, cutting edge research.

**Professor Lindsay Frazier** leads a truly global session with contributions from **Dr. George Mentkevish**, Russia, where AYA is in its infancy; **Dr. Hyung Zheng**, China, where the first dedicated AYA facility and program in the country is being established; **Dr. Soad Fuentes**, El Salvador, where pediatric oncologists are now collaborating with medical oncologists to get teens treated on pediatric protocols.

### PSYCHOSOCIAL & SUPPORTIVE CARE - PILLARS OF A COMPREHENSIVE AYA PROGRAM:

**Dr. Ursula Sansom-Daly**, Sydney, shares the models of supportive care excellence being developed in Australia.

**Dr. Lesley Breech**, Cincinnati, outlines the pioneering work being undertaken in the Mid West, USA to establish oncofertility programs.

Learn why oncology professionals must talk to AYAs about sexuality from Canadian **Dr. Anne Katz**.

What should an AYA survivorship service model look like? Hear what **Dr. Jackie Casillas**, USA, recommends within a multi-cultural environment.

### GROUNDBREAKING SCIENCE:

Hear the latest on molecularly targeted genetic sequencing.

See new data about genetics and toxicity.

Learn about genetic predisposition and the critical importance of genetic counseling.

Find out what the Cancer Moonshot team thinks the latest immunotherapy advances offer AYA cancer from **Dr. Alex Huang**, Case Comprehensive Cancer Center.

Hear why the Center for Disease Control is focusing on AYA cancer.

Will we ever end the debate about ALL pediatric & adult therapies? See the data presented by experts and join in the debate.

Learn about the latest advances, challenges and potential solutions in Colon Cancer; Soft Tissue Sarcoma, **Dr. Robin Jones**, UK Institute of Cancer Research; Germ Cell Tumors, **Dr. Robert Huddart**, Imperial Cancer Research, UK.

### AYA BEST PRACTICE MODELS:

The future of AYA services could be dependent on expert Nurse Navigators. Learn from the best practitioners.

**Dr. Rebecca Johnson**, USA, presents research demonstrating that communication & collaboration are the keys to AYA program success.

Latest research is showing that physical activity and nutrition are improving outcomes and survival. Learn how to incorporate them within your own programs from **Kirsten Ness** of St. Jude.

The military is the largest employer of AYAs in the world. What can they teach us? Hear from **Dr. Colonel Prakash Chitalkar** about India's supportive model and **Dr. James Hu** and **Major Susan Whiteway** about the successes and challenges in the USA.

Brightlight, the largest study of its kind has asked whether AYA programs add value. Hear **Professor Jeremy Whelan**, UK, reveal the results.

**Yvonne Mariajiminez** provides expert advice to AYAs on medical/legal matters in an innovative scheme set up by the University of Southern California. Hear what a difference they are making.

The Congress also offers the opportunity to submit abstracts before September 1st, 2017.

**For the Call for Abstracts & To Register, Visit: [www.ayaglobalcancercongress.com](http://www.ayaglobalcancercongress.com).**
